EARLY  
SPRING/SUN

Euphorbia dulcis	Spurge	'Cameleon'	This excellent foliage perennial with deep, sultry colored leaves and loose clusters of auburn orange flowers adds depth and richness to containers and borders. Beautiful set against the colors of chartruese and	Sun	12-18"	Zone 4	Round & Full
Lobelia speciosa	Cardinal Flower	'Pixie Wings'	Pixie wings can make a beautiful addition to a sunny container. For the flower border, I plant it with agastache 'Blue Fortune', spiderwort 'Sweet Kate' and coleus 'Tilt-a-whirl. Its soft pink colored flowers are attractive to hummingbirds.	Sun	18"	Zone 8	Tall & Spiky
Lysimachia nummularia	Creeping Jenny	'Aurea'	Golden Creeping Jenny adds a real spark of color to plant combinations. I rely on this tough little performer to cascade from containers or as a groundcover between stepping stones.	Sun to part shade	3"	Zone 3	Cascading
Aquilegia caerulea	Columbine	Origami Pink & White'	With its beautiful, star-shaped flowers, Aquilegia is ideal in containers, rock gardens and hanging baskets.	Sun	10-12"	Zones 6-11	Tall & Spiky
Aquilegia caerulea	Columbine	Origami Blue & White'	With its beautiful, star-shaped flowers, Aquilegia is ideal in containers, rock gardens and hanging baskets.	Sun	10-12"	Zones 6-11	Tall & Spiky
Nemesia x hybrida	Nemesia	Blueberry Sachet™'	Wonderfully fragrant, Nemesia works well in the garden as an edging or border plant and in mixed patio containers, hanging baskets and window boxes.	Sun	10-12"	Zone 11	Round & Full
Nemesia caerulea complex	Nemesia	Peach Sachet™'	Wonderfully fragrant, Nemesia works well in the garden as an edging or border plant and in mixed patio containers, hanging baskets and window boxes.	Sun	10-12"	Zone 11	Round & Full
Argyranthemum frutescens	Argyranthemum	Comet Pink'	Easy to grow, daisy-like argyranthemums bloom consistently from spring through fall.	Sun	22-28"	Zones 10-11	Tall & Spiky
Argyranthemum frutescens	Argyranthemum	Sunlight'	Easy to grow, daisy-like argyranthemums bloom consistently from spring through fall.	Sun	22-28"	Zones 10-11	Tall & Spiky
Dianthus chinensis	Dianthus	Raspberry Super Parfait™'	Nice & short with a compact habit, Super Parfait has large bicolor blooms, excellent for border edging with a full season of free flowering color. Short spikes of lavender blue	Sun	8-10"	Zones 9-11	Round & Full
Phlox divaricata	Native Ground Phlox	'May Breeze'	flowers fill the evergreen foliage in late spring. The plants are especially beautiful in drifts set against the foliage of hostas, variegated Solomon's Seal and ferns. An easy to grow native	Shade to part shade	6"	Zone 3	Round & Full

EARLY SPRING/SHADE							
Bletilla striata	Asian Ground Orchid	'Kuchibeni'	The unique lavender-purple flowers of this Asian Ground Orchid always draw attention from my garden visitors. It is tough and carefree performer despite what its exotic beauty might imply.	Shade to part shade	12"	Zone 5	Tall & Spiky
Digitalis x mertonensis	Foxglove	Foxglove	An elegant statuesque plant that produces spires of rose-pink colored blooms. This classic cottage garden favorite is the perfect companion for old fashioned roses, violas, and dianthus.	Sun to part shade	24-40"	Zone 4	Tall & Spiky
Tiarella cordifolia	Foam Flower	'Brandywine'	Heart-shaped leaves of light green, each with red veins, compliment the light pink, foamy flowers in late spring.	Shade	8-12"	Zone 3	Round & Full
Heuchera micrantha	Coral Bells	'Plum Pudding'	The glossy chartreuse tinted leaves accented with silver marbling provide a dramatic background for the sprays of delicate pink flowers. Best set against light foliage plants such as Japanese Painted Fern, gray leafed hostas and impatiens.	Shade to part shade	12-18"	Zone 4	Round & Full
Heuchera micrantha	Coral Bells	'Raspberry Regal	The shiny, deep plum colored leaves of this Heuchera are set off by sprays of raspberry tinted flowers . Try it combined with astilbe, foamflower, ajuga and ferns.	Shade	12-18"	Zone 4	Round & Full
Polygonatum odoratum 'Variegatum'	Solomon's Seal	Variegatum'	Candy cane striped green and white leaves accent the long stems with white flowers in mid-spring.	Shade to part shade	24"	Zone 4	Tall & Spiky
Hedera helix	English Ivy	'Glacier'	The light colored marbled leaves of Ivy 'Glacier' create a beautiful effect spilling from the edge of containers. The perfect choice to brighten a shady location.	Shade to part shade	6"	Zone 5	Cascading
Bellis perennis	English Daisy	Robella'	Bellis perennis provides early spring color in the garden, producing masses of pompon-like flowers over mounded rosettes of green foliage.	Shade	6"	Zones 4-8	Round & Full
Bellis perennis	English Daisy	Rominette Pink'	Bellis perennis provides early spring color in the garden, producing masses of pompon-like flowers over mounded rosettes of green foliage.	Shade	6"	Zones 4-8	Round & Full
Lamium maculatum	Lamium	Orchid Frost'	Lamium Orchid Frost is an excellent accent plant to add texture and contrast to mixed plantings in color bowls, patio containers, hanging baskets and garden beds.	Shade	3-6"	Zone 5-11	Cascading
Phlox stolonifera	Creeping Phlox	Pink Ridge'	This lovely true pink phlox makes an excellent ground cover in the native shade garden.	Shade	10"	Zone 2	Round & Full
Phlox stonoifera	Creeping Phlox	Home Fires'	This showy deep pink phlox makes an excellent ground cover in the native shade garden.	Shade	10"	Zone 2	Round & Full
