## HEMLOCK WOOLLY ADELGID COMPLIANCE AGREEMENT CERTIFICATE

*The Ohio Department of Agriculture, Plant Pest Control Section, annually inspects this nursery for the presence of hemlock woolly adelgid (*Adelges tsugae*). The hemlock nursery stock (*Tsuga* spp.) in this consignment has been grown under a compliance agreement monitored by the Ohio Department of Agriculture to meet the criteria of the HWA quarantine regulations for the states of Maine, Michigan, New Hampshire, Ohio, and Wisconsin: (1) Regulated articles were found, at the time of inspection, to be free of all life stages of HWA. (2) Regulated articles were produced and held at a pest-free place of production under a systems-approach program compliance agreement. (3) Regulated articles have been effectively treated with an approved systemic insecticide to destroy HWA.*
